COFFEE SELECTIONS*

ESPRESSO

Espresso is the key to every coffee drink and one of the hardest to perfect. A single espresso consists of 7 grams of coffee tamped just right in a single handle.

RISTRETTO

An espresso at heart but extracted with about half the amount of water, resulting in a very short, intense espresso.

MACCHIATO

An espresso with a dollop of milk foam on top.

CAPPUCCINO

A long espresso made with hot milk and milk foam. We train our baristas to create a dome of foam. Steaming milk is quite an art.

LATTE

A single espresso topped with steamed milk and a small amount of milk foam to seal the drink.

AMERICANO

A single espresso topped with hot water. You should still see the crema indicating the espresso was correctly made.

CAFÉ MÉLANGE

A single espresso topped with whipped cream.

ILLY CREMA

Illy coffee, cream and milk frozen to perfection, served the Italian way.
