USDA PRIME BEEF

Of all the beef produced in the U.S., only 2% is certified prime grade by the USDA. Our USDA Prime beef comes from the very finest Black Angus cattle the Midwest has to offer. Then we dry age the beef for a minimum of 28 days, imparting a buttery taste and meltingly tender texture that many beef connoisseurs herald as the ultimate beef experience.

** Public Health Advisory: Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk for foodborne illness, especially if you have certain medical conditions.*
