MSC Cruises takes all possible precautions to ensure that the food offered to its guests is of the highest quality. Certain foods may have been frozen. These foods are defrosted using the most scrupulous procedures that do not alter the organoleptic qualities of the products. We advise that eating raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness. All menus are subject to change depending on product availability. The complete list of food ingredients from the menu items is available upon request. For low sodium diet please contact your Head Waiter or Restaurant Manager.
